### 361 TAVRO ET FLORENTIO CONSS.

Constantius relicta Antiochia, unde rescripsit Febr. 14, proficiscitur contra Persas Edessam (Ammianus 21, 7, 7), in quo itinere datum est rescriptum Gyphyrae prope Antiochiam Mai. 3, eorum quae locum indicant in Theodosiano ultimum. Reversus Antiochiam ad bellum civile se accingens obiit Mopsucrene in Cilicia Nov. 8. — Iuliani huius anni rescripta non magis reperiuntur quam praecedentis; quae adsunt ad Constantium pertinent, post Aug. 29 prorsus deficient.

Iulianus Antiochiam reliquit bellum gesturus contra Persas Mart. 5 (Ammianus 23, 2, 6), cecidit in acie Iun. 26. Post discesum eius ab Antiochia unum extat eius rescriptum emissum Mart. 23 sine indicatione loci. — Deinde huius anni quae adferuntur rescripta, quamquam ad usum compilatorum annum plerumque solum respicientium proponuntur sub nomine Iuliani, vere Ioviani sunt. Redux Edessam (Sept. 27: vide 7, 4, 9) et Antiochiam (Ammianus 25, 10, 1), ubi eum constituisse Oct. 22 Theodosianus ostendit, profectus est per Mopsuestiam, ubi fuit Nov. 12, Tarsum (l. c. 25, 10, 4) et inde Constantinopolim.
